BOOKING HISTORY

Hand-drawn sketch of a mobile app interface for a car rental system. The interface is divided into two main sections. The top section has a header with a hamburger menu icon, the word 'LOGO', and a heart icon with the letter 'A'. Below the header, there are three input fields labeled 'DATUM CHECK IN', 'DATUM CHECK OUT', and 'PRICE'. To the right of these fields is a large square area with a diagonal 'X' through it. The bottom section has three input fields on the left and a large square area with a diagonal 'X' through it on the right. At the very bottom, there are three icons: a face, a camera, and an envelope.
